In the article by Li et al, “Hospital Variation in Readmission After Coronary Artery Bypass Surgery in California,” which appeared in the September 2012 issue of the journal (Circulation: Cardiovascular Quality and Outcomes. 2012;5:729–737), there was an error in the author byline. Ehrin J. Armstrong’s name appeared as “Erin J. Amstrong.”

The name has been corrected in the online version of the article. The authors regret this error.
